

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- ¹ A '*' following a place name indicates that the place is coterminous with a MCD. A 'x' indicates that the place is also a false MCD; the false MCD name is not shown.
- ² A '*' following a block number indicates that the block number is repeated elsewhere in the block.

FEATURES	
Highway	Pipe/Power Line
Secondary Road	Ridge/Physical Feature
